

SACE Assessment Summative Task 2

Journal

Name: _____

Assessment: SA / RA/ RNM

Name of Assessment Component	Description of Summative Assessment Tasks	Weighting (%)	Learning Outcomes Measured	Criteria for Judging Performance
Portfolio	<i>Students reflect upon the development of their team project by maintaining a journal</i>		4, 5	<p><i>documentation</i></p> <ul style="list-style-type: none"> • How effectively does the student document and discuss the process and outcome of his or her learning? • To what extent do the primary and/or secondary sources gathered show evidence of the student's process of enquiry? • How relevant are the student's portfolio materials? • To what extent do the primary and/or secondary sources gathered show evidence of an appropriate process of enquiry? <p><i>evaluation</i></p> <ul style="list-style-type: none"> • How well does the student distinguish between relevant and irrelevant information in the portfolio? • How clearly does the student present evidence of an understanding of the learning process and its outcome?
		Total :15%		

You will be assessed on your own work for this task but you may work on it as a team.

You keep a log of all your involvement in the Concept to Creation project. The final journal should be a summary of your log and should be about 1000 words in length.

Hand in your completed work to your c2c teacher to pass on to Mr Haskard for SACE Records
