Dear Parents / Caregivers

On Wednesdays your son / daughter will participate in the **Concept2Creation** (C2C) or the **Careers and Community** (C+C) programme (as per letter in January Information Pack). These programmes will require students to participate in off-site school activities at various times during the year.

It is expected that students will follow the code of behaviour for various training and work sites and this includes the wearing of appropriate apparel / safety equipment.

Travel to and from designated venues will be either on foot, by bus (public/charter), or cars (staff/taxi) as organised by relevant staff. Most C+C travel will be independent and students will be required to make their own way to and from placements. However most C2C travel will be organised by the school.

Please complete and return the **Transport Consent** and **Media Release** to the Home Group Teacher as soon as possible.
